

A. Information about the Suggestor:

25X1A

[REDACTED] GS-6, Secretary, Stenographer, DD/P-WH

B. Summary of the Suggestion:

The suggestor proposes that the parking problem which exists at Quarters Eye be remedied.

C. Appraisal of Concerned Offices:

The Chief, General Services states that every effort has been taken to effect the parking problem at Quarters Eye, however, the proposal of the use of the field adjacent to Quarters Eye cannot be effected since the Department of Interior and National Capital Parks have declined to allow any further encroachment on park property for such facilities. Files attached for Committee reference.

D. Note:

Rejection for award of this suggestion appears to be indicated in view of the above appraisal. A letter of appreciation expressing the Committee's interest in the constructive thinking and initiative shown by the suggestor is recommended.
